**PRESIDENT'S REPORT**  
**NORTH ISLAND FESTIVAL OF PERFORMING ARTS**

**2008/2009**

*This year has been one of transition with several new members on our board – keeping us all busy learning our duties and organizing the Festival. Thanks to each of you for all your hard work and dedication to your community that continues to allow this opportunity for our children to shine.*

*We are looking to add to our numbers in order to lessen the workload. If more people take a role, the burden will be lighter allowing us to continue to offer a first rate festival. There are only a handful of board meetings a year, not a huge commitment to administrate an event that our children enjoy performing in which also creates a lifetime of memories. Please join us!*

*I'd like to take this opportunity to extend a well earned “thank-you” to the people who ensure our festival is a success:*

- the music, speech arts and dance teachers that work with our children throughout the year.*
- all the parents and festival participants.*
- all the businesses and the public who contribute to the bursary fund. The bursary recipients are always grateful for the assistance.*
- the many, many volunteers – who attend all sessions and act as cashiers, adjudicator secretaries, ushers, timers, etc.*
- Brent Reid for his wonderful pictures from our post-festival shows.*
- the Sid Williams Theatre Society and the Theatre Staff. The theatre is a great venue for our festival and we appreciate their consistent effort that enables us to hold our festival here. The staff is very efficient and a pleasure to work with.*
- to Sam Marshall, our Past-President among many other titles (Dance Chair, Secretary, etc). Without her focus, drive and hard work we would not be here today!*

*Good Luck to all our 2009 Festival participants.*

F.I.S.T.D. (Cecchetti)  
T.T.P. – National Ballet School

Susan has an extensive dance background spanning over 30 years. Her early training included ballet (*Cecchetti and R.A.D.*), pointe, modern, jazz, and national dance.

Susan later graduated from the National Ballet's Teacher Training Program (Toronto, Ontario) in 1989. Upon graduation she taught in numerous dance schools throughout Canada. She later became Ballet Mistress for DancEast Company (New Brunswick) and Principal of its affiliated school. Eventually she founded her own school in Salmon Arm, B.C. In 1996 Susan joined the teaching faculty at the Royal Winnipeg Ballet, and while in Winnipeg she was the Cecchetti Representative for Manitoba and Saskatchewan. From 1998 to 2006 Susan was the Senior Ballet Teacher for Penticton School of Dance. During that time, she also achieved her Fellowship standing with the Cecchetti Society.

Among her accomplishments, Susan was commissioned by the CBC and Sesame Street to choreograph segments for television. She also choreographed Canada's premiere production of "Goldilocks" (she is currently re-staging Goldilocks for performances in March 2009), the world premiere of "Emuria and the Unicorn", and has adjudicated numerous festivals in British Columbia and Alberta.

Susan currently owns her own dance studio in the beautiful historic town of Armstrong, B.C.

# *Kim Sato - Stage*

Kim's dreams became reality when asked to perform in the "Groovalooos" show in LA where she was able to showcase her multidisciplinary talents in jazz, tap, modern, salsa, house, and hip hop. She has performed in films such as "Spectacular", "Kickin' it Old Skool", "Another Cinderella Story", "Centre Stage 2", "The Lost Boys II" and, most recently, an episode on the TV series "The L Word".

Traveling the world she has danced in China, Japan, Brazil and all over the US and Canada. Some favourite performances include Dancers for A Small Stage, Brief Encounters, dancing as the opening act for Grand Master Flash, Swollen Members and 98 degrees, Miss Universe Japan, and touring with the Rhythmatix, where she tapped her way across North America with this percussion ensemble.

She has been a regular choreographer for the Source Dance Company as well as choreographing for many different local and out of town dance schools and teams across Canada. In the past two years she has found herself traveling quite frequently up north to Whitehorse in order to share her passion for and knowledge of dance with the Yukon youth.

Kim is currently the Director/Founder of the SOULdiers company, an audition-based company with whom she shares her passion of funk styles and hip hop culture.
