

## Festival Variety Showcase Participant Information

Show starts at 7:00 pm!

**All performers** will need to check in downstairs with a Board Member supervisor by 6:45 pm please (*if you are in the second half and aren't watching the show, please contact me directly to make other arrangements*).

**Dancers** report to the green room area ready to perform (*the small dressings rooms will be available for last minute make up and costume changes but we ask that you otherwise keep them free*)

**Music and Speech Arts Disciplines** will be in the curtained part of the dressing room.

Once performers are checked in, parents may leave them in our care and enjoy the show.

For the checked in performers in the second half - we will be taking you up to the balcony to watch the show. For any performers under age of ten, please contact me directly for other arrangements if you are uncomfortable with these plans. There will be a supervisor with them at all times. Again for the checked in performers of the first half - we will take you up to the balcony to watch the show.

*Hopefully all your parents, family and friends already have tickets to enjoy the show!*

**All Performers** will need to sign out before they can leave. Teachers of groups are allowed to check in and check out their groups. We just ask that you ensure that someone is with them at all times and that all are being picked up if you do so - Thanks.

### Reminder:

**All Provincial Reps meet in the crossover one song before Intermission.**

This year awards can be collected before, during, and after the performances thus generating an expansion of the number of performers. Awards can be picked up in the lobby during the Festival Variety Showcase and Dance Gala.

## Award Pickup Times

Friday, March 9<sup>th</sup> and Saturday, March 10<sup>th</sup>

6:00-7:00 p.m. *before performance*

**Intermission**

9:15-9:45 p.m. *after performance*

Thank you all for your hard work and providing us with a wonderful festival!
