

Festival Variety Showcase Participant Information

Show starts at 7:00 pm!

All performers will need to check in downstairs with a Board Member supervisor by 6:45 pm (if you are in the second half and aren't watching the show, please contact us directly to make other arrangements).

To ease congestion at the back door!

Dancers report to the green room area ready to perform. Space is very limited. Enter through the doors from the fountain area into the green room.

Music and Speech Arts Disciplines will be in the curtained part of the dressing room and will enter through the back of the theatre (from the parking lot between the Filberg Centre and the Sid). Once performers are checked in, parents may leave them in our care and enjoy the show.

We will try to provide seats for the performers in the halves that they aren't performing in, however, it will depend on ticket sales. Currently we have blocked off some rows, to open the balcony for performers only is pricey. We will do our best and we thank you for your understanding. There are monitors to view the show downstairs as well but have your performers bring private entertainment just in case.

Hopefully all your parents, family and friends already have tickets to enjoy the show!

Reminder buy 3 tickets, get 1 free!!!

All Performers please try to inform our volunteers before you leave (especially the younger ones who have checked in and we are responsible for). It gets very hectic downstairs, so please be patient and communicate with our supervisors!

Teachers of groups are allowed to check in and check out their groups. We just ask that you ensure that someone is with them at all times and that all are being picked up if you do so.

Reminder:

Awards can be collected before the performances or during intermission.
