

Dance Gala Participant Information

Show starts at 7:00 pm!

First Half will need to check in by **6:30 pm** please (or there will be a lineup available for check in). **Second Half** no earlier than 7:45 (please find a corner to tuck into until the first half clears out at intermission).

Dancers arrive to the theatre ready to perform (hair, make up etc). Space will be limited. Enter through the downstairs backstage door. Doors will open at 6:00!

Studios - *all groups need an appointed supervisor/studio rep.*

All Groups in the First Half must be picked up at intermission to comply with Covid capacity levels downstairs. Those who are in the second half, of course, can remain.

Participants can join their families in the audience, if they have a ticket purchased, between performances! But they must exit from the downstairs and enter the theatre as a patron. Meaning that 12 and up must have a vaccination passport available to scan. See the Sid Website for all their patron guidelines.

Only Group Trophies will be handed out onstage after the group performs! Teachers/choreographers if on hand please come out to accept. Thanks

Reminder:

Awards will be e-transferred to recipients. Please send contact info to finance.nifpa@gmail.com (Parent or Recipient email address). Or a mailing address for a cheque.

Thank you all for your hard work and providing us with a wonderful festival!
